### Thank You Note

I wish to say THANK YOU to all of you who prayed for me, sent me cards, visited me and everything else you did while I was in hospital, Morning View, my sister's home and my time with home health after I got to come home. I thought I might have to take drivers training after four months but am doing okay. I am blessed to be a member of Pleasant Grove Baptist Church. God bless you all.

### The Cross and The Resurrection

With Easter just around the corner, we need to let God help us focus on some key truths in our lives. We should all agree that the Cross was a must. God demanded a perfect sacrifice, and His Son was the only one who could provide what God demanded. Many times Christians get stalled at the Cross; they begin to think God's final Word was death, but that is far from the truth. Yes, the Cross was a must, but so was the Resurrection! It was an absolute necessity! When you look at the Cross, never forget the Resurrection! That will remind you that God's final Word was not death-rather, it is LIFE!

Please ponder these three questions:

1. How is the Cross and the Resurrection affecting my daily life?
2. Is my life centered on the Cross and the Resurrection?
3. Is the Cross and the Resurrection shaping my life?

Listen as God speaks and enjoy a growing relationship with the One who loves you most! - Greg Long.
