KEEPING IN TOUCH

The Keep In Touch (KIT) group will meet in the church fellowship hall at 11:00 a.m. on Wednesday, March 15, 2017, followed by a noon meal. Anyone who is age 55 or over is invited to attend along with their guests. Bring a covered dish for yourself and your guests.

We welcome father and son pianists, Patrick Lee Hebert (pronounced a bear) and Patrick II. They previously visited with us and played the piano nine years ago, at the time when Patrick II was only eight years old.

As background, the father has been ministering in music since age 13, where he began as pianist and music director at Trinity Full Gospel Church in Hookset, NH, remaining until 2004. Moving with his family to TN in 2006, Patrick was the lead pianist at Green Meadow Church of God in Alcoa until his retirement in 2015. He founded the Highland Piano Studios in 1990, offering instruction to students and establishing his own music label. He has released nine full length albums of his compositions and continues touring the USA blessing audiences with his music.

Patrick II, now age 17 and also an accomplished professional, has been playing the piano for nine years. He began playing on his own at age seven and has been trained solely by his father. A regular on the concert stage, he is a certified Highland teacher with students of all ages.

Please join us to hear them and become one of the many others who have been blessed by their music. We will have a wonderful time.

At our February KIT meeting it was announced that Roger Givens would be our guest for March, presenting his animal and bird pictures. Our meeting with Roger has been postponed due to his upcoming back surgery.
