ONLINE GIVING

Are you considering using online giving but are on the fence? Here are a few benefits to consider:

It's easy - You don't have to fish around for your checkbook or go withdraw some cash. You can simply grab your phone and give.

It's fast - If you're using an app like Pushpay, you can probably give in a fifth of the time it would take you to write one check.

It's secure - Giving digitally is much more secure than cash or checks.

Your giving schedule is up to you - If you feel the need to give, you can. You don't rely upon our organization or service to give your gift.

If you are interested in online giving, there are instruction sheets in the foyer for giving through a downloadable app for your smartphone (Android or Apple). Or you can donate by going to the "GIVE" tab on our website (pgbctn.org).
