Church Service Update

We are currently holding three identical services in the church sanctuary:

Saturday at 6:00 PM

Sunday at 9:00 AM

Sunday at 10:15 AM

Each service will have the same music and sermon and will have no more than sixty people in the sanctuary. We no longer need you to call in for service attendance. Feel free to attend any of the services listed above.

We continue to practice social distancing. If you have a preexisting heart or lung condition or are in a high-risk group, it is highly suggested that you not start attending church just yet. The services will be available online. There will not be a nursery. Do not be surprised to see that we will have removed the hymnals and do not have bulletins. Please feel free to bring and wear your mask if that makes you more comfortable.

Chilhowee Baptist Center Christmas Event

Merry Christmas! The next WMU project will be helping the Chilhowee Baptist Center with their Christmas Event on December 12th. Again, this year the CBC will be providing food boxes to their clients for a Christmas meal. They also will be collecting snack foods for bags to provide for children. For children under the age of two, they will be collecting baby items.

All money or items should be turned in by Sunday, November 29th. The Baptist Center ask that we join them in praying for their clients and also as they prepare for their Christmas event. For complete details and list of items, please refer to previous week's newsletter.

Newsletter News

We will not be publishing a newsletter for the weeks of December 20th and December 27th. We will have an issue published for January 3rd.

Christmas Eve Services

We are looking at the possibility of having two Christmas Eve services this year to help us social distance. The thought is to have the first service at 1 PM and the second service at 3 PM. If you would be willing to attend the 1 PM service, would you please sign up on the sign-up sheet located in the hallway. This will help in two ways. It will let us know if a second service is needed and it will also help in preparing the elements. Thank you for your help!
