ONLINE GIVING

Are you considering using online giving but are on the fence? Here are a few benefits to consider:

It's easy - You don't have to fish around for your checkbook or go withdraw cash. You can simply grab your phone (which you always have with you) and give.

It's fast - If you're using an app like Pushpay, you can probably give in a fifth of the time it would take you to write one check.

It's green - You're writing fewer checks, and you're using fewer envelopes.

It's secure - Giving digitally is much more secure than cash or checks.

Your giving schedule is up to you - If you feel the need to give, you can. You don't rely upon our organization or service to give your gift.

If you are interested in online giving, there are instruction sheets in the foyer for giving through a downloadable app for your smartphone. Or you can donate by going to the "GIVE" tab on our website (pgbctn.org).
